

INSTRUCTIONS

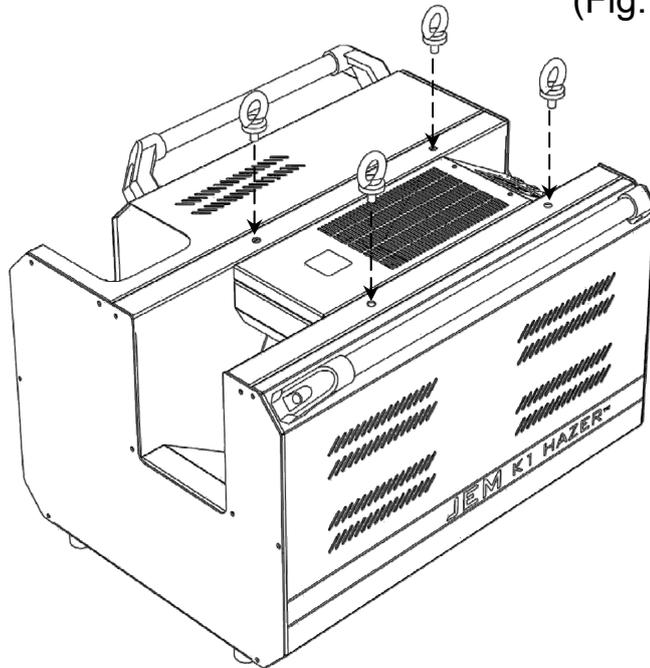

JEM K1 HAZER FLYING KIT

Contents:

4x M8 Eye Bolt

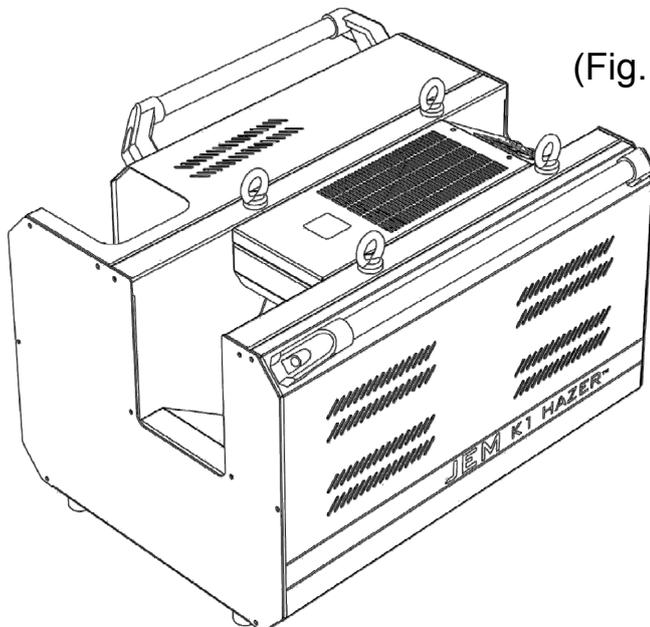

(Fig. 1)

Instructions:

Remove the eye bolts from the packaging.
Screw the eye bolts in to the four threaded holes on top of the machine (Fig. 1).
Orientate them into the correct position (Fig. 2).

(Fig. 2)

WARNING!

Do not suspend the machine overhead.

Ensure that the fixings used to suspend the machine are adequate to support the weight.
